PROFESSIONAL SKILLS

Communication | Teamwork | Problem Solving | Adaptability | Learning Ability

CERTIFICATIONS & TRAINING

- Python Course – In Progress
- MS Excel Course – In Progress
- Employability Skills Development Program – Mahindra Pride Classroom & Naandi Foundation

PROJECTS

AI Powered Emotion-Based Music Player – Moodify

Developed a web application that captures real-time facial expressions through a webcam, analyzes emotions using deep learning/computer vision, and recommends music playlists based on the detected mood. Technologies: Python, Flask, OpenCV, MySQL, HTML, CSS, JavaScript.

Personal Portfolio Website

Designed and developed a responsive personal portfolio website to present education, technical skills, certifications, projects and contact information. Technologies: HTML, CSS, JavaScript.

Sales Data Analysis Dashboard

Developed an interactive sales analytics dashboard using Python, Pandas, Streamlit and Plotly. The dashboard provides filters, KPI summaries, monthly sales trends, category and regional analysis, top-product analysis and downloadable sales data.

EXPERIENCE

Fresher – Open to entry-level opportunities in Python development, web development, data analysis and IT.

PORTFOLIO

Personal Portfolio Website – Project included in the portfolio. Live URL can be added after online deployment.
